

## Pricelist 2019 - 2020

Promoting programs on our platform is done for a fixed rate per program. The more programs you wish to promote through our platform, the lower the price.

Submitting a program can be done up to a year before the start of the program. The programs are published on our platform until the program has finished, regardless of when they were submitted for publication.

2 - 5	€ 190
6 - 10	€ 180
11 - 15	€ 175

If you wish to promote more than twenty programs per year, please contact Laura Faber for a custom offer at [info@shorttermprograms.com](mailto:info@shorttermprograms.com).
